

# Reservation Policy

## Grill Room, Bar or Vista

Reservations for all evening dining are strongly requested. Reservations for lunch in the Grill Room are gladly accepted, but not necessary unless the party is 8 or more.

This reservation will guarantee a seat, but we will not be able to guarantee where (inside or outside). We will accommodate requests the best we can. In order to maximize seating, we will NOT accept tables larger than 10. For parties larger than 10, we will do our best to provide two tables next to each other or the private dining room may be reserved for special functions. Members must provide the names of all the people in their party.

## Special Events

(Dinner Dances, Vintners Dinner, Club Events, etc.) Reservations will be required for all special events. Reservations are limited to tables of 10. The maximum number of reservations will vary depending on the type of event. Members must provide the names of all the people in their party for special events. Members should book their reservations as a group to help ensure everyone is seated together.

We ask for all event reservations, if there are 10 members on the reservation, for example, that one member make the reservation for the group. All member numbers and last names for attendees must be included when making a reservation. Those who initiate reservations must cancel or contact the club to make changes.

## Cancellation Policy

Lexington's Special Event Cancellation Policy applies to all events that require reservations for attendance. If reservations are not canceled within the 48 hour window, you will be charged full price.

## Happy Hour

Happy hour only applies to a la carte dining between 4pm and 6pm in the Clubhouse or at the Tiki. Happy hour pricing will not be offered during special events.
