

MEN'S GOLF ASSOCIATION

November 2024

Men's Golf
Association
LEXINGTON
COUNTRY CLUB

Despite having to move the November 6th Opening Day (due to weather) to November 13th, the MGA Committee and the various departments within Lexington concluded that the event was a success. Feedback from some in attendance included positive comments about the scramble and the dinner.

The committee is now planning and working out the details of a Sandpiper venue following the afternoon round on December 11th. This will include discounted drinks (Member Charged) and a light food selection which will be paid for by the MGA account. We encourage all Members to participate. The details of this event will be presented in the upcoming MGA registration flyer. Please take some time to read and review this information when it comes out. We will evaluate the outcome of this event to determine if such future events will occur.

We hope you enjoyed the Thanksgiving holiday with your families and friends. We are blessed to be a part of this community.

Sincerely,

Larry Voit, President

Roger Bonneau, Vice President/ Membership

Bob Armstrong, Treasurer

John Waterworth, Secretary/Golf & Grounds Liaison

Tim Brennan, Tournament Chair/Events
