The MGA Committee continues to plan for the 2023-2024 season by meeting monthly during this summer season. As stated previously, November 8, 2023, is our opening day scramble followed by a clubhouse dinner. You will have to sign up for **each, individually** for the scramble and for the dinner. We are planning on a raffle ticket drawing for prizes, too. Stay tuned for more details on this opening day event.

The Committee has selected the shirts for this year. We have about 60 members who have yet to select their shirt size. Go to the Lexington website, Golf/MGA Shirts 2023-2024 and follow the prompts. We must place our order by the end of September so please don't be without a shirt this season and get your order in today. Thank you in advance.

Committee Update: Dale Kroft has agreed to remain on board leaving one vacancy that was filled by appointment. Roger Bonneau willingly stepped up and was eager to take on any and all necessary tasks. We want to welcome and thank Roger for stepping up to this vacancy.

Any organization needs dedicated individuals who are willing to take on duties and tasks to make events happen. I want to thank past and present MGA Committee members for doing just that. I also want to thank and acknowledge our pro shop staff, our food and beverage department and our golf course staff for all contributing to our past and future successful plans and events.

Looking forward to seeing you all very soon. Enjoy the rest of your summer.

Regards,
Larry Voit, President
