Q. What are my voting rights in the condominium association?

A. Each Unit has one (1) vote which, in the case of joint ownership, shall be cast as the owners decide between/among themselves. Matters pertaining to only your condominium (as opposed to the overall association) are voted on only by owners therein.

Q. What restrictions exist in the condominium documents on my right to use my Unit?

A. Please refer to the Declaration of Condominium, the Master Declaration and the Rules and Regulations of the Association and of Lexington Community Association which provide (among other things) that your Unit may be used only for lawful purposes, that sound backing is required under hard-surfaced floors, certain pet restrictions and the like. Be careful to review what types of vehicles may be parked on or around the condominium property.

Q. What restrictions exist in the condominium documents on the leasing of my Unit?

A. The association must approve any tenant and the minimum lease term is thirty (30) days. You are jointly and severally liable with your tenant for violations of the condominium documents.

Q. How much are assessments to the condominium association for my unit type and when are they due?

A. The condominium association assessments are allocated based upon an equal amount per unit. The assessments for your unit are \$1,579.00 per quarter, due on the first day of each quarter.

Q. Do I have to be a member in any other association? If so, what is the name of the association and what are my voting rights in this association? Also, how much are my assessments?

A. Yes, you will be a member of Lexington Community Association, Inc. Your assessments are \$1,206.00 per quarter, due the first day of each quarter. Annual restaurant minimum of \$700.00 is additional.

Q. Am I required to pay rent or land use fees for recreational or other commonly used facilities? If so, how much am I obligated to pay annually?

A. No, all such facilities are covered by the condominium or community association assessments.

Q. Is the condominium association or other mandatory membership association involved in any court cases in which it may face liability in excess of \$100,000? If so, identify each such case.
