Vehicles satisfying the foregoing criteria and which contain showers facilities, restroom facilities, and full cooking facilities shall be considered motor homes.

“Disabled Vehicles” or “Inoperable Vehicles” shall include any vehicle, of any nature whatsoever, which is not capable of normally and safely engaging in highway travel. Any vehicle which does not display a current license automobile tag shall also be deemed an “inoperable” vehicle.

10.2 No motor vehicle shall be parked anywhere on the Condominium Property, other than in a Common Element parking space, a Carport, or within a Garage, provided, however that parking on the streets during the day is permitted. Parking on lawns or landscaped areas is prohibited. Parking on the streets overnight is prohibited. Garage doors shall be kept closed at all times except when in actual use and during reasonably limited periods when the garage is being cleaned or other activities are being conducted therein which reasonably require the doors to be left open.

11. Unit Owner Responsibilities Regarding the Prevention of Fungal Contaminants (Mold and Mildew). Unit Owners must take all appropriate steps to reduce and/or eliminate the

occurrence or continued existence of mold and/or mildew (collectively "mold") growth in and around the Unit and appurtenant common elements and thereby minimize the possibility of adverse effects that may be caused by funguses, including mold. The Unit Owners' responsibilities include, but are not limited to, the following:

11.1 The air conditioning system, and humidity control system if applicable, must be kept in good and working order. Whether occupied or not, the air conditioning system, and humidity control system if applicable, must be appropriately operated, when reasonably necessary, to adequately control the temperature, humidity and in-door air quality in the Unit.

11.2 The main valve on the water line serving the Unit must be turned to the OFF position if the Unit is to be unoccupied on an overnight basis.

11.3 All incidents of mold and water intrusion, including but not limited to: water spots on drywall, plumbing leaks, leaks around windows and doors, leaks from appliances, and any other leaks, or evidence of water intrusion must be immediately reported to the Association.

11.4 All regular and routine maintenance required to prevent water intrusion, and which is the obligation of the Unit Owner, must be timely and adequately performed. Such maintenance includes, but is not limited to: the regular inspection, cleaning and services of all appliances servicing the Unit, including the air conditioning system, humidity control system if applicable, refrigerators, and freezers; the regular maintenance and replacement of interior caulking and/or weather stripping around windows, doors, and plumbing fixtures.

12. Television and Other Outdoor Antennae. No television, radio, satellite, or other antenna or satellite system may be installed on the Common Elements by any person other than the Association, except as provided herein. Certain television, satellite, or other antenna systems may be erected or installed on Condominium Property subject to compliance with the following requirements:

Permitted antennas include (collectively hereinafter referred to as "antennas"):

- Direct broadcast satellite dishes (DBS) that are less than one meter in diameter.
- Multi-channel, multi-point distribution service devices (MMDS) that are less than one meter in diameter or diagonal measurement.

Location of Antennas. Antennas are only permitted to be installed in exclusive use areas, such as limited common element balconies. To the extent feasible, all antennas must be placed in locations that are not visible from any street and in a location to minimize annoyance or inconvenience to other residents of the community if this placement would still permit reception of an acceptable quality signal. Antennae may not extend beyond the plane of the imaginary line running from the edge of the balcony ceiling to the balcony floor, bounded on the sides by the vertical balcony walls.

Holes (whether through drilling, nails or screws, or otherwise) are not permitted in structural portions of the building (including but not limited to concrete, masonry, block, stucco,

fascia, soffits, windows, window frames, doors, door frames, and the like) without prior written approval of the Board of Directors. It is the intent of this requirement to ensure that the structural integrity of the building (including but not limited to its water-proofness) is not compromised by the installation of antennas.

Color and Screening of Antennas. All antennas shall be painted to blend into the background against which it is mounted, so long as the paint will not interfere with an acceptable quality signal.

Safety Requirements. To safeguard the safety of the unit owners, occupants of the residence in which the antenna is located, neighboring unit owners, and other owners and members in the condominium, it shall be the obligation of the owner to comply with all applicable local, state and federal safety requirements, including but not limited to obtaining a permit for the installation of the antenna, if any is so required, hiring licensed contractors with sufficient expertise and adequate insurance to protect their work, installing the antennas away from power lines and other potentially dangerous areas, installing and using the antenna in accordance with safety recommendations and requirements of the antenna manufacturer, and in accordance with the customs and standards for the antenna industry, including compliance with electrical code requirements to properly ground the antenna, and installation requirements to properly secure the antenna. Antennas shall be properly secured and installed so as to cause no damage to the building, such as compromise of its water-proof integrity. Unit owners shall indemnify the Association for any loss or damage (including attorney's fees) occasioned by non-compliance with these obligations. A unit owner shall indemnify and hold harmless the Association, and all other unit owners, for any damage that an antenna causes to the condominium property or to persons or other property.

II. RULES AND REGULATIONS GOVERNING POSTING OF NOTICE

Pursuant to Section 718.112(2)(c), Florida Statutes (2010), the official location for posting notice of Association meetings is the swimming pool bulletin board.

A. Definition. "Hurricane Shutter" shall mean any device, installation, equipment or appliance, whether permanently or temporarily affixed or attached in any manner to any portion of the exterior of the building or any portion of the building so as to be visible from the exterior of the building, used, either directly or indirectly, as its main purpose or incidental to its main purpose, as protection against storm damage, water penetration by driven rain or rising water, wind damage or damage from physical objects or projectiles carried by wind or storm.

B. General. Hurricane Shutters are prohibited, except as same may be approved by the Board in accordance with these Rules and Regulations.

C. Installation Requests

1. Any person desiring a Hurricane Shutter shall submit a written request therefor to the Board (or Manager) by completing an application for approval to install hurricane shutters, as may be promulgated by the Board of Directors, not less than thirty (30) days prior to the proposed commencement of installation. The written request shall contain (1) the name and address of the person desiring the Hurricane Shutter, (2) the unit number to which the Hurricane Shutter will be installed, (3) the name, address, and telephone number of the proposed contractor who will install the Hurricane Shutter (together with the same information for any proposed subcontractors), (4) the proposed location for installation of the Hurricane Shutter, (5) the proposed type, style, brand, color, material and name and address of the manufacturer of the Hurricane Shutter, and (6) the proposed manner of installation of the Hurricane Shutter.

2. The written request required by paragraph 1 above shall be accompanied by a copy of (1) the occupational license and certificate of competency of the proposed contractor (and, if applicable, the subcontractor) who will install the Hurricane Shutter, and (2) the insurance certificate of the proposed contractor (and, if applicable, the subcontractor).

3. In the event the Board, in its sole discretion, determines it to be necessary to have the Association's engineer review the documentation supplied pursuant to paragraphs 1 and 2 above, for the purpose of determining whether the proposed Hurricane Shutter conforms to these Rules and Regulations and/or the applicable building codes, then the person requesting the installation of the Hurricane Shutter shall pay to the Association the estimated cost of such engineer's review within five (5) days of receipt of notice from the Board. Failure to pay the cost for the engineer's review within thirty (30) days subsequent to receipt of the Board's notice shall be deemed a withdrawal of the request for installation of the Hurricane Shutter. The Board shall be relieved from the requirement to approve or disapprove the proposed installation if said engineering fees are not paid.

4. Within thirty (30) days subsequent to receipt of the written request and accompanying documentation, pursuant to paragraphs 1 and 2 above, the Board shall either approve or disapprove the proposed installation of the Hurricane Shutter. For good cause, the Board may extend the time in which to approve or disapprove the proposed installation for a reasonable time, not to exceed an additional thirty (30) days (i.e., 60 days from date of receipt of written request and accompanying documentation). Good cause may include, but shall not be limited to,

the engineer's inability to timely review the documentation. The Board shall send notice to the person requesting the proposed installation, whether the installation is approved or disapproved. In the event the Board shall disapprove the proposed installation, the notice shall state the basis for the disapproval. The Board may promulgate, and amend, from time to time, any forms it deems appropriate to convey its approval or disapproval of requests to install hurricane shutters.

5. In the event the Board approves the proposed installation, construction shall commence within sixty (60) days subsequent to receipt of the Board's notice of approval. Failure to commence construction within the specified time shall be deemed an abandonment of the installation, a withdrawal of the request for the proposed installation, a disapproval of the proposed installation, and the installation shall be prohibited. A person deemed to have abandoned the installation shall be required to submit another written request for a proposed installation in accordance with these Rules and Regulations.

D. Maintenance and Owner Obligations. As a condition of approval, the owner of a Unit requesting installation of Hurricane Shutters shall be responsible for the insurance, maintenance, repair and replacement of the Hurricane Shutters.

The requesting Owner shall be fully responsible for compliance with such laws and, as a condition of approval, specifically agrees to indemnify the Association against any liens or other encumbrances occasioned by the installation.

G. Completion of Construction. Construction of the Hurricane Shutter shall be completed within thirty (30) days subsequent to the commencement of construction. Failure to complete construction within the specified time shall be deemed an abandonment of construction/installation and a withdrawal of the request for the proposed installation, the installation/construction shall be prohibited, and the proposed Hurricane Shutter shall be deemed disapproved.

H. Operation of Hurricane Shutter. The Hurricane Shutter shall, at all times, whether open or closed, be fastened securely in place in accordance with manufacturer, building code and installation requirements.

2. Legal Action. The Board of Directors may take whatever appropriate legal action is available against any person who fails to comply with this Rule.

3. Other Remedies. Nothing in this Rule shall be construed as a limitation or restriction upon any of the Association's rights or remedies, or act as an election of remedies. All rights and remedies available to the Association shall be cumulative.

V. RULES AND REGULATIONS GOVERNING INSPECTION AND COPYING OF ASSOCIATION RECORDS

WHEREAS, Section 718.111(12)(c), Florida Statutes, provides that the Association may adopt reasonable rules regarding the frequency, time, location, notice, and manner of record inspections and copying; and

WHEREAS, the Board of Directors believes it is in the best interest of the Association to adopt rules, as contemplated by the above-referenced statute.

NOW THEREFORE, the following rules governing inspection of the Official Records of the Association are adopted:

A. RECORDS DEFINED. The Official Records available for inspection and copying are those designated by Chapter 718, Florida Statutes, the Florida Condominium Act, as amended from time to time, as the Official Records of the Association, to the extent that the Association is required to maintain such records.

B. RECORDS AVAILABLE. No records other than those defined above shall be available for inspection or copying.

C. PERSONS ENTITLED TO INSPECT OR COPY. No Unit Owner, or the Unit Owner's authorized representative, shall have any right to inspect or copy the records of the Association, except as permitted by law. All references to Unit Owner will include a Unit Owner's authorized representative. No other person shall be permitted to inspect or copy the Association records, unless approved by the Board or the President or unless required by law.

D. INSPECTION AND COPYING.

1. A Unit Owner desiring to inspect or copy Association records shall submit a written request by hand delivery during regular business hours, regular U.S. Mail or Certified U.S. Mail, Return Receipt Requested, therefore to the Association at the official address of the Association, pursuant to the most recent on-line records of the Florida Secretary of State, Division of Corporations.

Requests by facsimile transmission, electronic mail (e-mail) or other means do not comply with this Rule. Verbal requests do not comply with this Rule. The written request must specify the particular records the Unit Owner desires to inspect or copy, including pertinent dates or time periods. The specification of the particular records must be sufficiently detailed to permit the Association to retrieve the exact records requested.

A Unit Owner's inspection request shall be deemed received as follows. If sent by regular U.S. Mail, five days after the date of post-mark on the letter transmitting the request. If by hand-delivery during regular business hours, the day following the receipt of the hand-delivery. If by U.S. Certified Mail, Return Receipt Requested, the date that the receipt card was signed for by the Association.

2. Inspection or copying of records shall be restricted solely to those records specifically designated in the written request for inspection or copying and shall be conducted solely by the person signing the inspection request. If more than one Unit Owner desires to inspect the same records, the Association may require that such inspections are conducted at different times. No inspection or copying of any other records shall be permitted.

3. A Unit Owner shall not submit more than one (1) written request for inspection or copying of records per calendar month.

4. Inspections of records shall be conducted at the office where the Association's records are maintained or at such other location as may be designated by the Association. Records must be made available for inspection in the County where the Condominium is located or within forty-five (45) miles of the Condominium. No Unit Owner shall remove original records from the location where the records are inspected. No marks or alterations shall be made on original records.

5. Records shall generally be made available for inspection by the Association on or before the fifth (5th) working day subsequent to actual receipt by the Association of the written request for inspection. This time frame may be extended upon request of the Unit Owner or for good cause. In any case, the Association shall always use its best efforts to make records available for inspection by the tenth (10th) working day after receipt of the request, and the failure to do so shall create a rebuttable presumption that the Association has violated the provisions of this Rule. The Association may rebut the presumption by obtaining an opinion from legal counsel that the Association has, under the circumstances, attempted to address the Unit Owner's records inspection request in good faith. In addition, this time frame shall be extended in the event the records are so voluminous, or otherwise in such condition as to render this time frame unreasonable. The Association shall notify the Unit Owner by telephone or in writing, that the records are available and the time, date and place for such inspection. Inspection shall be made only during normal Association business hours, or during the normal business hours of the location of inspection if other than the Association office. For the purposes herein, "working day" shall mean Monday through Friday, exclusive of federal, state and local holidays in which the office of the Association is closed. For purposes herein, "normal business hours" shall be the hours the Association office is customarily open, or the hours the location where the records are to be inspected is customarily open, or if there are no customary hours of operation, then 9:00 A.M. to 12:00 P.M. and 1:00 P.M. to 5:00 P.M., all on a working day. No Unit Owner shall be entitled to inspect records for more than nine (9) hours in any calendar month. At the request of either the Association or the Unit Owner, inspections may be broken up into segments, provided that three (3) inspection visits per calendar month shall be the maximum number of sessions in a calendar month.

6. If, at or subsequent to inspection, a Unit Owner desires to have a copy of a record, the Unit Owner shall designate in a separate writing, which record, or portion thereof, for which a copy is desired, or, in the alternative, shall designate such record by use of a clip or tab upon the page(s) desired. Not more than one (1) copy of each record requested shall be permitted. If the location where the records are being inspected or stored has a copy machine capable of making copies of the records designated, then copies of the records shall be available within two (2) working days subsequent to the designation of such records. If, however, the records to be

copied are so voluminous that it is not practicable for them to be copied where they are kept or there is no copy machine at the location where the records are being inspected or stored capable of making copies of the records designated, the Association may send the records out for copying by an outside source, such as a commercial copying company. Copies made by an outside source shall be available as soon as a copying service can pick-up, copy and return the records to the location where the records are being inspected or stored. Photocopies will be available at the place where Official Records are kept. **Unit Owners requesting copies must arrange for pick-up of records. The Association shall have no obligation to mail or otherwise deliver copies to any place.** As determined by the Manager, the President, the Board, or the person designated by the Association to oversee the inspection of records, in the event the copies of the records are so voluminous, or a copy machine or copy service is not available or too busy, or the records are in such condition or form that copies cannot be made available within the above-stated time periods, then copies will be made available as soon as practical.

7. A Unit Owner shall pay the reasonable expense of copying. In the event the copies are made by the Association, the cost shall not exceed fifty cents (\$.50) per page and absent a Resolution by the Board to the contrary, copies shall be charged at fifty cents (\$.50) per page. If copies are made by outside vendors, actual costs shall be charged to the Unit Owner. Payment in advance for the cost of a copy shall be required. In the event payment is made in form other than cash, cashier's check, money order or certified check, payment shall not be deemed received unless and until payment has cleared. No copy of a record shall be made unless and until payment for the copy is received.

8. Records not normally kept in written form shall be produced for inspection in the form in which they are normally kept. However, if records are kept on computer format, the Association may print such records to paper. The Association shall not be obligated to allow Unit Owners to access the Association's computer system, nor shall it be required to make copies of computer records which may violate copyright laws, licensing laws or agreements, vendor agreements, or which involve proprietary software or computer data. The cost of converting such non-written records to written format, where required, shall be in addition to the cost of copying such records, and the Unit Owner shall pay the reasonable expense of converting such records to written form, which expense shall be the actual cost of making the copy.

9. The Association may comply with its obligation to make Official Records available for inspection by providing them to the Unit Owner by electronic mail, the internet, or making them available in a computerized format readable with customary programs used in computers of consumers. If, however, a Unit Owner provides the Association with written notice that they do not have access to a computer, the Association must supply the records in paper format.

E. MANNER OF INSPECTION.

1. For purposes hereof, a Unit Owner and the Unit Owner's authorized representative shall be considered one person. If inspection is requested by any person other than a record Owner of the Unit, said request shall not be recognized by Association unless and until the record Owners of the Unit designate such person, in writing, as their authorized representative or unless such person is an attorney admitted to practice in Florida.

2. All persons inspecting or requesting copies of records shall conduct themselves in a courteous manner, and shall not interfere with the normal operation of the Association office and the duties of their personnel, or the office where the records are otherwise inspected or copied or the duties of their personnel. The Association office, or office of inspection, may assign a staff person or other person to assist in the inspection and all requests for further assistance and copying during inspection shall be directed to that staff person.

F. ENFORCEMENT OF INSPECTION AND COPYING RULES.

1. Any violation of these Rules may result in the immediate suspension of the inspection or copying until such time as the violator agrees in writing to comply herewith.

2. Any requests for inspection and copying not complying with these Rules need not be honored, but in such cases the Association shall mail or hand-deliver a written response to the person requesting inspection and/or copying and shall indicate how the request fails to comply herewith.

3. The Board of Directors may take whatever appropriate legal action is available against any person who fails to comply with these Rules, including the levy of fines.

4. Nothing in these Rules shall be construed as a limitation or restriction upon any of the Association's rights or remedies, or act as an election of remedies. All rights and remedies available to the Association shall be cumulative.

5. The President of the Association, or the Manager (under the direction of the President), shall have the authority to interpret and implement the provisions of this Rule and make decisions and judgments arising hereunder without need for Board approval on a case-by-case basis.

VI. RULES AND REGULATIONS GOVERNING UNIT OWNER INQUIRIES

WHEREAS, Section 718.112(2)(a)2, Florida Statutes (2010), provides that the Association, through its Board of Directors, may adopt reasonable rules and regulations regarding the frequency and manner of responding to unit owner inquiries; and

WHEREAS, the Board of Directors believes it is in the best interest of the Association to adopt a rule, as contemplated by the above-referenced statute, which will protect the Association against the liability affiliated with unintentionally failing to respond to multiple "inquiries" filed by Unit Owners.

NOW THEREFORE, the following Rule is adopted:

1. An "inquiry" is defined as a question, which specifically requests a written response from the Association. Citation to the above-referenced statute is adequate.
2. An inquiry will be deemed received by the Association, on the next business day following the day on which a duly-authorized representative of the Association signed for the certified letter of inquiry to the Association addressed to the President of the Association, or the Association's Registered Agent, pursuant to the most recent on-line records of the Florida Secretary of State, Division of Corporations.
3. All responses of the Association shall be in writing, and shall be deemed effective when deposited in the United States Mail, postage pre-paid, to the address of the Unit Owner, per the Official Records of the Association, or the address contained on the document constituting the inquiry.
4. The Association is only obligated to respond to one written inquiry per Unit owned in any given 30-day period. The Association shall respond to each pending inquiry, as required by law. A Unit Owner's submission of more than one inquiry per Unit owned during a thirty (30) day period, or the inclusion of more than one inquiry in a single piece of correspondence, shall result in the Association only responding to the first inquiry received. In such a case, any additional inquiry or inquiries will be responded to in the subsequent thirty (30) day period, or periods, as applicable.
5. Unit Owners shall not be permitted to file more than one inquiry with the Association with respect to the same matter. If the Unit Owner is dissatisfied with the Association's substantive response, or disagrees with the response, that fact will not be sufficient to obligate the Association to engage in ongoing debate with the Unit Owner regarding the issue as to which a substantive answer has been given.
6. Should any Unit Owner inquiry involve privileges pertaining to pending or potential litigation, matters subject to the attorney-client or work product privilege, or matters which involve any other legally cognizable privilege, the Association shall not be obligated to provide a substantive response to the Unit Owner if such would result in a waiver or violation of any privilege.

7. Any violation of this Rule shall be deemed a violation of a rule of the Association, and shall subject the Unit Owner to all remedies provided by Florida Law and the governing documents with respect to same, including the levy of fines.

VII. RULES AND REGULATIONS ESTABLISHING ASSOCIATION ASSESSMENT COLLECTION POLICY

WHEREAS, Sutton Walk at Lexington Condominium Association, Inc. (hereinafter referred to as "Association") desires to adopt a policy regarding the collection of Assessments; and

NOW THEREFORE, the Board of Directors of the Association hereby establishes the following assessment collection policy. All capitalized terms shall be given their meaning as described in the Condominium Declaration or the Act, as those terms are defined later herein, or the definitions ascribed to said terms in this Policy:

1. Article 10 of each of the Declarations of Condominium (hereinafter referred to as "Declaration"), as amended, states in pertinent part:

10. ASSESSMENTS AND CHARGES. Assessments against Owners shall be made by the Board of Directors of the Association, in the manner provided in the Bylaws and as follows, and shall be borne by the Unit Owners on the basis set forth in Article 6 and elsewhere in these Condominium Documents.

10.1 Liability for Assessments and Charges. A Unit Owner, regardless of how title is acquired, including a purchaser at a judicial sale, shall be liable for all Assessments and Charges coming due while he/she is the Unit Owner. Except as provided in Section 10.5, any person or entity which acquires title to a Unit shall be jointly and severally liable with their predecessor in title for all unpaid Assessments and Charges against the predecessor for his/her share of the Charges and Assessments, including attorney's fees and other costs and expenses of collection incurred by the Association up to the time of the transfer, without prejudice to any right the transferee may have to recover from the transferor the amounts paid by the transferee. The liability for Assessments or Charges may not be avoided by waiver of the use or enjoyment of any Common Elements or by the abandonment of the Unit for which the Assessments or Charges are made.

10.2 Default in Payment of Assessments for Common Expenses or Charges. Assessments and installments thereof not paid within ten (10) days from the date when they are due shall incur a late fee and bear interest in an amount as determined by the Board of Directors which, unless otherwise specified, shall be the maximum allowed by law. The Board may accelerate unpaid Assessments in the manner prescribed by law. The Association has a statutory lien on each Condominium Parcel for any unpaid Assessments on such parcel, and a common law and contractual Lien for Charges, with interest, late fees and for reasonable attorney's fees and costs incurred by the Association incident to the collection of the Assessment or enforcement of the lien. Except as otherwise provided in the Florida Condominium Act (2010), no lien may

be filed by the Association against a Condominium Unit until thirty (30) days after the date on which a notice of intent to file a lien has been delivered to the Owner pursuant to Section 718.121(4), Florida Statutes (2010), as amended from time to time. The lien is in effect until all sums secured by it have been fully paid or until barred by law. A claim of lien shall be signed and acknowledged by an Officer or agent of the Association. Upon recording, the Association's claim of lien shall relate back to the date of the filing of the original Declaration of Condominium. Upon payment the Condominium Parcel is entitled to a satisfaction of the lien. The Association may bring an action in its name to foreclose a lien for Assessments or Charges in the manner that a mortgage of real property is foreclosed and may also bring an action to recover a money judgment for the unpaid Assessments or Charges without waiving any claim of lien. The Association may also accelerate all Assessments or Charges which are accrued, but not yet due, in the manner provided by law.

10.3 Notice of Intention to Foreclose Lien. No foreclosure judgment may be entered until at least thirty (30) days after the Association gives written notice to the Unit Owner of its intention to foreclose its lien to collect the unpaid Assessments or Charges. If this notice is not given at least thirty (30) days before the foreclosure action is filed, and if the unpaid Assessments or Charges, including those which have been accelerated (if applicable) and those coming due after the claim of lien is recorded, are paid before the entry of a final judgment or foreclosure, the Association shall not recover attorney's fees or costs. The notice must be given by delivery of a copy of it to the Unit Owner or by certified mail, return receipt requested, addressed to the Unit Owner. If after diligent search and inquiry the Association cannot find the Unit Owner or a mailing address at which the Unit Owner will receive the notice, the court may proceed with the foreclosure action and may award attorney's fees and costs as permitted by law. The notice requirements of this provision are satisfied if the Unit Owner records a Notice of Contest of Lien as provided in the Act.

10.4 Attachment of Rental Income When Unit is Delinquent. Notwithstanding any other remedy available to the Association under this Declaration, the Bylaws, or applicable law, the Association shall have the following options when payment of Assessments or Charges are in default (more than ten days in arrears). The Association may, without order of the Court, direct rental income (by written notice to the Tenant with copy to Unit Owner) from Units in default to be paid directly to the Association until all outstanding Assessments, Charges, interest, late fees, costs, collection expenses, attorney's fees and receiver's fees, if applicable, are satisfied. As an alternative, the Association may apply to a Court of competent jurisdiction, either in connection with a foreclosure suit, a personal suit, or otherwise, to have rental proceeds paid on account of a Unit in default paid directly to the Association, the court registry, or a receiver, as the Court may direct. The Association may choose any of

these courses of action as the Board deems appropriate without same constituting a waiver or election of remedies.

10.5 First Mortgagee. The priority of the Association's lien and the obligation for payment of past due Assessments or other sums due in relation to first mortgagees who obtain title as a result of foreclosure or deed in lieu of foreclosure, shall be determined by the Florida Condominium Act, Chapter 718, Florida Statutes (2010), as amended from time to time.

10.6 Possession of Unit. Any person who acquires an interest in a Unit, except first mortgagees through foreclosure of a first mortgage of record (or deed in lieu thereof), including without limitation persons acquiring title by operation of law, shall not be entitled to occupancy of the Unit or enjoyment of the Common Elements until such time as all unpaid Assessments and other sums due and owing by the former Owner, if any, have been paid. Possession shall be subject to all other Association requirements pertaining thereto.

10.7 Certificate of Unpaid Assessments or Charges. Any Unit Owner has the right to require from the Association a certificate showing the amount of unpaid Assessments or Charges against him/her with respect to his/her Unit. The Association, its agents, and counsel shall be entitled to charge a fee for preparing such information, in amounts established by the Board, or in a management agreement between the Association and a Community Association Management Firm, or based on reasonable and customary fees charged by legal counsel.

10.8 Lien for Charges. There is created by this Declaration a common law and contractual lien to secure payment for any service which the Association provides for an individual Unit Owner or expenses which the Association incurs in regard to a Unit Owner and which is not otherwise secured by the statutory lien for Common Expenses. By way of example, but not limitation, a Lien for Charges exists to secure repayment to the Association when it must remove or reinstall Unit Owner alterations or items of Unit Owner insurance, maintenance, repair or replacement responsibility in connection with the Association's discharge of its Common Element maintenance responsibilities, or address emergency situations, such as water extraction from a Unit. The Lien for Charges shall be of equal priority to, shall accrue interest and late fees, and shall be foreclosed in the same manner as the Common Expense lien, including the right to recover attorney's fees, costs and expenses of collection.

10.9 Other Remedies. The Board of Directors shall have the authority to impose such other remedies or sanctions permitted by the Act pertaining to non-payment of monetary obligations to the Association. Without limitation, same include suspension of use rights in Common Elements and Association Property; suspension of voting rights;

suspension of the right to serve on the Board; the attachment of rental income; denial of lease approval requests; and acceleration.

2. The following provisions of Chapter 718, Florida Statutes (2010), the Florida Condominium Act (hereinafter referred to as the "Act"), address rights and remedies of the Association in connection with delinquent Assessments as follows:

(a) Section 718.112(2)(d)1 of the Act provides that a person who is delinquent in the payment of any monetary obligation is not eligible for Board membership.

(b) Section 718.112(2)(g) of the Act permits the acceleration of Assessments of an owner delinquent in the payment of Common Expenses. Accelerated Assessments shall be due and payable on the date the claim of lien is filed. Such accelerated Assessments shall include the amounts due for the remainder of the budget year in which the claim of year is filed.

(c) Section 718.112(2)(n) of the Act provides that a Director or Officer more than 90 days delinquent in the payment of any monetary obligation shall be deemed to have abandoned the office, creating a vacancy in the office to be filled according to law.

(d) Section 718.116(6)(c) of the Act provides that if a Unit Owner remains in possession of a Unit after a foreclosure judgment has been entered, the Court, in its discretion, may require the Unit Owner to pay reasonable rental for the Unit. This provision of the Act further provides that if the Unit is rented or leased during the pendency of the foreclosure action, the Association is entitled to appointment of a receiver to collect the rent.

(e) Section 718.121 of the Act provides that no lien may be filed by the Association until thirty days after the date on which a notice of intent to file a lien has been delivered to the Owner by registered or certified mail, return receipt requested, and by first-class United States mail to the Owner at his or her last address as reflected in the records of the Association, if the address is within the United States, and delivered to the Owner at the address of the Unit if the Owner's address is reflected in the records of the Association is not the Unit address. If the address reflected in the records is outside the United States, sending the notice to that address and to the Unit address by first-class United States mail is sufficient. Delivery of the notice (hereinafter "Statutory First Notice") is deemed given upon mailing as required by the Act.

(f) Section 718.303(3) of the Act provides that if any Unit Owner is more than 90 days delinquent in the payment of any monetary obligation to the Association, the Association may suspend the right of the Unit Owner, or a Unit's occupant, licensee or invitee to use common elements, common facilities or any other Association property until the monetary obligation is paid.

(g) Section 718.303(5) of the Act provides that the Association may suspend the voting rights of any Unit Owner if such Unit Owner becomes more than 90 days delinquent in the payment of any monetary obligation to the Association. Such

suspension shall end upon full payment of all obligations currently due or overdue the Association.

3. References to "Assessments" herein shall refer to Annual Assessments which are payable monthly, and due on the first day of each month (hereinafter the "Assessment Due Date") and Special Assessments which are due on the date specified by the Board in the notice of the assessment given pursuant to Section 718.116(10), of the Act ("Special Assessment Due Date"). The Assessment Due Date and Special Assessment Due Date shall collectively be referred to as the Due Date. All Assessments or Charges not paid within ten (10) days after the Due Date shall be considered delinquent.

4. A monetary obligation as that term is used herein shall include any regular Assessment, Special Assessment, Fine, or Charge authorized by the Declaration, the Bylaws of the Association or the Act.

5. If payment of an Assessment in full has not been received by the Association, at such location as the Association may specify from time to time, within ten (10) days of the Due Date, the Association (either itself, or through its agent) will add a late fee of five percent (5%) of the installment due, or \$25.00, whichever is greater. Interest at 18% per annum shall also be added, retroactive to the due date.

6. Once any Assessment is thirty (30) days past the Due Date, the Association will turn the matter over to its attorney, who in turn will send a Statutory First Notice. Delinquency for the purposes of this Policy shall be measured from the Due Date, without regard to the ten day "grace period" provided in Paragraph 3. Owners shall be responsible for all applicable late fees and interest as referenced above, as well as all reasonable expenses of collections and costs and attorney's fees affiliated with the statutory First Notice.

7. Once any Assessment is sixty (60) past the Due Date, or the payment deadline from the attorney's Statutory First Notice has lapsed, whichever is later, the Association's attorney shall record a claim of lien and provide the Unit Owner with notice of intention to foreclose a lien, as required by the Act, in order to collect the outstanding amounts owed, including but not limited to the amount of the delinquent Assessment(s), interest, late fees, attorney's fees and costs, reasonable collection expenses and any amounts that have been accelerated. The President of the Association, or the Manager, shall have the authority to instruct counsel to also accelerate remaining assessments for the fiscal year, if after consultation with legal counsel, the President or Manager believes that acceleration is in the best interest of the Association, which may be considered on case-by-case basis. Such claim of lien shall also secure, including but not limited to, all unpaid Assessments, attorney's fees, interest, late fees and costs and reasonable expenses of collection which are due or may become due subsequent to the date the claim of lien is recorded. The Association's attorney will also send a notice advising the owner that a foreclosure action will be commenced unless the entire amount indicated on the claim of lien, as well as any sums that have accrued since the date of the claim of lien, are paid within thirty (30) days from the date of the notice.

8. Any person who is delinquent in the payment of any monetary obligation to the Association by more than 90 days is not eligible to sit on the Board of Directors. If such an individual has submitted a Notice of Intent to run for the Board, their name shall be included on the Annual Meeting Ballot. However, if such individual remains delinquent at the time of the election, votes cast for such individual shall not be counted and the next highest vote recipient shall be seated, as applicable. Further, such individual shall not be eligible for appointment to the Board, in the event of no election.

9 Should any person become more than 90 days delinquent in the payment of any monetary obligation to the Association, the Board of Directors shall consider the suspension of such Unit Owners, or Unit occupant, invitee, or licensee's, use rights of the Common Elements and Association Property at a regularly scheduled Board meeting or a special meeting of the Board. In the event that such suspension is imposed at said meeting, the Association shall notify the Owner, and if applicable, the Unit's occupant, licensee or invitee of such suspension by mail or hand delivery. Such suspension shall be for a reasonable time, as determined by the Board.

10 Should any Unit Owner become more than 90 days delinquent in the payment of any monetary obligation to the Association, such Unit's voting rights are suspended by virtue of this Resolution. The Manager shall send written notice of such suspension to the subject Unit Owner. However, the failure to send such notice shall not be considered a waiver or any right of the Association nor shall such notice be a condition precedent to the automatic suspension of a Unit Owner's voting rights. Such suspension shall continue until the receipt of full payment of all obligations currently due or overdue the Association. The Unit Owners whose voting rights have been suspended by this Resolution shall be subtracted from the quorum and voting requirements of any votes taken during such suspensions to the extent permitted by the Act, the Declarations or the Association's Bylaws.

11 It is the intent of the Board that this collections policy be adhered to as closely as possible. However, any deviation from or waiver of this Policy will not affect the collections process and cannot be raised as a defense by a delinquent Unit Owner in any collections proceeding. Further, the Board shall have the authority to deviate from or waive the provisions of this Policy, when in the opinion of the Board of Directors, the best interests of the Association are served by such waiver or deviation, including but not limited to situations where substantial hardship or excusable neglect by the Unit Owner has been shown. The waiver or deviation of the provisions of this Policy in one instance shall not require waiver or deviation in any other instance.

12 The President of the Association or the Manager of the Association shall have the authority to implement this Policy, without need for specific approval of the Board, except that the suspension of use rights provided for in Paragraph 9 and the waivers provided for in Paragraph 11 shall be considered by the Board.

VIII. RULES AND REGULATIONS ESTABLISHING FORM OF QUESTION AND ANSWER SHEET

1. The Board of Directors hereby adopts and shall update the Frequently Asked Questions and Answer Sheet which is attached hereto as **Exhibit "A"**.
2. The Association may from time to time publish additional information including the "Supplemental Question and Answer Sheet" in the form attached hereto as **Exhibit "B"**.
